

## Greetings!

We hope you've had a great first term back, and are looking forward to a well-deserved break in October!

With half term just around the corner, we thought that your pupils and their families may appreciate some 50% off discount vouchers to enjoy during the academic break. These represent a significant saving on the usual walk up price and are valid for up to 5 people, so the whole family can enjoy a great day out!

These vouchers highlight our fantastic new SEA LIFE Halloween event - **Ascarium** - a brand new experience across all of our SEA LIFE aquariums, offering spooky family fun for all!

For a limited time only, five potion ingredients will be hidden in various tanks throughout the **Ascarium**, and guests will need to find them before making their way to the Sea Witch's lair. Along the way, guests will discover facts about some of the freakiest creatures of the sea, including blob fish, African tiger fish and goblin sharks.

Little guests will get the chance to meet the Sea Witch and join her as she casts her magic spell to open the treasure chest, giving those who successfully navigate the trail a special reward. There will also be games, fun photo opportunities and a chance for one lucky family to win a trip to Alton Towers!

As well as all of this, you can enjoy all of the great fishy fun SEA LIFE has to offer - discover mysteries of freshwater landscapes, see underwater reefs in breath-taking colourful displays, marvel at the spectacle of jellyfish as they float through beautifully lit waters, and watch stunning sharks glide overhead.

We hope that whatever your pupils and their families decide to do this half term, they'll have a great time, and that you all enjoy a restful and fun filled break!

**Ascarium** will be held at the following locations on the following dates:

<b>Birmingham</b>	20th October - 4th November
<b>Blackpool</b>	20th October - 4th November
<b>Brighton</b>	20th October - 4th November
