

Trip to Paultons Park

On **Sunday 16th June 2018** Lions Clubs in the South of England will be sending a total of 2,500 visitors to Paultons Park near Romsey, Hampshire.

Maidenhead Lions Club would like to offer 26 tickets (including coach transport, entrance ticket and a lunch voucher) to Manor Green School students and their families for this day out.

The coach party will leave Braywick Car Park at 9.00 am and return about 6.30 pm.

The coach trip will be shared with another local organisation but there will not be a courier on board. Last year's trip was appreciated by Sports Able and Chatterbox groups and Maidenhead Lions hope that Manor Green School will be able to benefit this year.

Paultons Park is known as the home of Peppa Pig and has theme rides for visitors of all ages. For more information on the Park, especially regarding accessibility for guests with disabilities, please visit their website <https://paultonspark.co.uk/>
