Hello everyone!

Summer is rapidly becoming a distant memory and most of our children and young people have started their new term. So, now it is time to take a little time to focus on you!

For our first workshop of the year, we will be welcoming Magdi, whose area of expertise is special needs and family life coaching. Magdi will be focussing on general stress releasing techniques that we can all benefit from!

We have limited availability for this session, so please do register to secure your place here:

We are a very friendly and welcoming group and we look forward to seeing you at Manor Green School.

Best wishes

Jean, Chris and Emma
