

TVAP Carers and Parents talk by

Pathological Demand Avoidance Society

A profile on the autism spectrum

A charity established in 1997 by parents of children with PDA providing information, support and training for parents, carers, teachers and individuals with PDA.

at TVAP on Saturday the

5th of October

10 till 11.15am

The talk will cover:

- What is PDA?
 - What are 'Demands'?
 - How to access help if you think your child has PDA
 - Helpful approaches
 - Resources and tips for all parents
- **We are unable to provide childcare/care**
 - **Booking is essential (office@tvap.co.uk or 01628 628599)**
 - **The talk is free**

If you can't make the talk, they have resource to help:

For a range of information sheets, access to their forum, and to enquire about support go to:

www.pdasociety.org.uk
