RESILIENCE

Dear Families,

Now that we are into July it is the right time to help children and families prepare for transition in September. As part of that, this Friday (6th) we will be sending home a booklet by email, which outlines the things that will be different for your child as they move up a year. The booklet will also have the names of your child's new teacher and teaching assistant on it as well as a list of the children who will be in their class. We hope you find the booklets helpful.

If your child feels upset that a particular friend is not going to be in their class next year please ask them to remember the assembly we had recently where the children came up with six great reasons why it is good to have a friend in the 'other' class. This is a good opportunity for children to see things in a positive way and to build their ability to be resilient.

Next week, on the 12th the children will spend a day with their new teacher and teaching assistant, in their new classrooms to help everyone to get any nerves they have 'over with', before we break up for the summer.

Yours,
Nicola Dudley

Nursery Sport Day

The nursery sports day will be on Friday 6th July and parents are invited to attend. The morning sports day will be at 10.30am and the afternoon sports day at 2.30pm. If your child attends all day you may choose which one you would like to attend.

Zoo Lab

Nursery and reception got up close to a range of 'visitors' last week. They met giant snails, snakes, spiders and other bugs. They also went out to the woods at Millbrook and built a bug hotel to encourage some of our own local bugs to inhabit our woods.

Year 1 Circus Workshop

Year 1 children had fun last week learning circus skills such as juggling, diabalo and plate spinning.
