Monday 16<sup>th</sup> January 2017

Dear Families,

New Year is a good time to review the ways we are trying to make sure Millbrook children are healthy. Thanks to the staff, all children continue the children run 1 kilometre every day (5K per week) which is a fantastic way to improve their fitness and their understanding of the importance of daily exercise together. Classes also have two PE lessons a week in which they learn a range of skills. Children are taught about Keeping Healthy within lessons and through special events, for example we have had a visiting dentist, doctor and Road Safety workshops. The children have also learnt to improve their daily health routines such as the importance of flushing toilets and how to thoroughly wash their hands.

At lunchtimes we now have sports leaders who run sports activities which many children choose to take part in. Also, following a request from a parent about guidance and school rules for the contents of healthy packed-lunches please find attached a sheet. We have produced new guidance based on current Government recommendations so some things may be different than before.

Here's to a Happy and Healthy 2017
