

YEAR 3 –MILLBROOK MENU- SPRING 1 HOMEWORK

You must complete all of the red core pieces of work by the end of term. You also need to choose a minimum of 4 of the blue menu ones over the term. You may do more if you wish. Check the weekly newsletter to see what your child has been learning in class and continue to work on it at home. Within each term, you must have chosen a piece of science homework.

CORE ENGLISH

Spellings. See separate sheet for spellings and test dates.

CORE ENGLISH

Read every day and update your reading record at least 3 times a week. You can write anything you liked about the book/chapter, a short summary, a prediction or new words you came across.

CORE MATHS

Keep practising times tables (2s, 3s, 4s, 5s, 8s and 10s) and learn division facts for each. E.g. $3 \times 8 = 24$
so $24 \div 8 = 3$

CORE MATHS

Use
<https://www.topmarks.co.uk/maths-games/daily10>
to practise mental maths skills for addition and subtraction. Start at level 3. If you find it easy go up a level and if you find it tricky try level 2 or 1.

PSHE/VALUES

This term we are focusing on RESPECT. Come up with a short phrase that can help you remember to show respect. Write your phrase on a sticker and stick it somewhere that you'll see everyday.

IPC Computing

Copy and paste a picture of the map of the world into a blank PowerPoint Presentation. Then create circles using the 'shapes' feature to mark countries where earthquakes have happened. Finally, insert text boxes to give more detail about each earthquake.

IPC - TECHNOLOGY

Design a piece of protective clothing or equipment that a volcanologist may use when working on the site of an active volcano.

IPC Research

Find out as much as you can about one volcano anywhere in the world.

IPC Art

Paint a picture of a volcano of your choice. You can only use red, blue and yellow paints. You will have to mix the colours together to make any other colours you might need. You can also use white and black paints to make colours lighter or darker.

IPC HISTORY

Research an earthquake that has happened within the past ten years. Write about what happened.

ENGLISH 1

Choose your favourite character from a book or movie. Write a diary entry of a day in the life as that character.

ENGLISH 2

Write questions that you would ask in an interview with someone who has the job you would like to do when you grow up.

IPC- SCIENCE

Seismometers are used to measure the earth's vibrations. Use...
<http://pbskids.org/zoom/activities/sci/seismometer.html>
to make your own seismometer. Then watch
<https://www.youtube.com/watch?v=jxKn1eB1jc>
To see how you can test it.

MATHS

Write a shopping list of 5 things you could buy from a shop. Find out the prices of the items and calculate the total. You can find prices online.

EXPERIENCE

Visit the Natural History Museum in London. Have a go at standing on the earthquake simulator in the gallery of earthquakes and volcanoes.
