

18th April 2016

Dear Families

Welcome back. This term is always a highlight within the school calendar, particularly with sport, and the warmer, sunny days are a welcome change from the extended wet weather we were exposed to last half term.

This term will also see the culmination of a year-long project that Ms Khan has led; the Leading Parent Partnership Award. The LPPA celebrates the close partnership between families and school at Millbrook Park. As a new school it is important for our community to knit together and groups such as PIPS, the prayer group and the school governors are all aspects of that community who are working towards developing a great school. Looking back it is hard to imagine that this time two years ago this was a building site. A great deal has been achieved in our first five terms and much of that comes down to the support and trust of our families.

Today is when our next cohort of families find out whether they have a place at Millbrook Park for September. Popularity for the school has grown each year and much of that is owed to the positive reviews that you give to other families. Millbrook Park was built on the values that sustain our sister school, St Paul's, with the advantage of enviable resources and the capacity to expand beyond any ambition that St Paul's could have. It is a close partnership that will support both schools particularly during this period of educational instability nationally.

Regards

Anthony David

Executive Head Teacher
