Newsletter

There are already noticeable signs of increased stamina from the children completing their 1K daily runs. Having done it for two weeks every day without fail, the children have already run 10K!

Monday 7th March 2016

Dear Families,

On Friday we said goodbye to Mrs Silvia Pavel who left to start her maternity leave. We thanked Silvia for all the work she has done for the school since joining us, shortly after our opening, in October 2014. We wish her well as she prepares to start a family. We also welcomed two new staff members, Miss Hobbs and Mrs Kabali who we are very pleased to have in the team. They will be supporting children during their lunchtimes and Miss Hobbs will also be working with small groups of children as part of our intervention programmes across the school.

Yours, Nicola Dudley - Head of School

Nursery

Our nursery will be offering the option for parents to purchase top-up hours from September 2016. Parents will be able to buy from 1 to 5 extra sessions with each extra four hour sessions being £30. Child Care Vouchers will be accepted. Please let Mrs Upali (Sandra) in the school office know if you would like more information. Sessions will be given on a first-come-first served basis.

Book Week

Children and staff alike enjoyed dressing-up as part of our book week events. Even though it rained on Tuesday the children really benefitted from their library trip. Several children had not been to a library and were very surprised that the books could be 'taken' out for free. If you did not get a library joining form, we still have some left in the school office. The library we visited (Mill Hill) run reading challenges in school holidays which are very popular with children. On Wednesday the children met Freddie, our 'Read to Dog' and his owner Ellie (see photographs below) and on Thursday Year 1 children spent time reading with the younger children in the school. Thank you for all the effort you put into the children's costumes.

Star Awards

Well done to this week's award winners. Several of the children were nominated for showing an excellent attitude to their work, some for improved focus and attention and some for their kindness to others. The children should feel proud of themselves. Special congratulations to Josiah and Christian who achieved their 100 star trophies!
