Friday 4th May 2018

Dear Parents / Carers,

4LF's Class Assembly: 4LF led this morning's assembly fantastically. They shared what they have been learning this year and touched on Wind in the Willows, Macbeth and all of their other topics. They included a really catchy tune which Ed Sheeran would be proud of which they used to learn the names of the continents and specific facts about them. Apologies to anyone who was misinformed that the assembly would not be taking place. There will be an opportunity for anyone who missed it to see it again next week. Mr Goodbody will confirm the timings and inform you directly.

Headteacher Awards: Congratulations to Martin Onyenege, Alicja Bieda and Jakub Poplawski, who all received Headteacher Awards this week.

Golden Tickets: The children who have been rewarded with Golden Tickets this week and have been selected to sit at the 'Top Table' next week are:

Early Bird Week: A massive congratulations to 4LF who won our Early Bird Week competition. They won because out of the whole week, they only had two children that missed one day each. A fantastic achievement and they will be enjoying their tasty treats shortly. A massive thank you to everyone who took part and hopefully the good work of coming into school early can carry on.

Dentist in EYFS: The children in Nursery and Reception enjoyed a visit from Horace the Horse, on Thursday. He showed the children how to brush their teeth and talked about the food they should eat to keep their teeth healthy. They were surprised to learn that they shouldn't use water on their toothbrush whilst brushing their teeth. The children are looking forward to Horace returning soon to show them what happens at the dentist. Please can you support your children to help them brush their teeth twice a day; they should be helped by an adult until the age of seven. We were also informed that children should visit the dentist on a regular basis from their first birthday.

Highly Sprung: On Thursday this week, the Highly Sprung team visited Year 3. They worked with 3SH in the morning and 3JK in the afternoon. Children learnt about the differences in atmosphere between Earth, the moon and Jupiter by using role play to pretend they were walking on each of them. Children then learnt all about equivalent fractions by pretending they belonged to an alien family. Children in Year 3 were very excited to begin learning the Haka and look forward to learning more from the Highly Sprung Team next week!

Football Tournaments: On Thursday, ten of our Year 4 children travelled to the Alan Higgs Centre to take part in a football tournament against two other Coventry schools. They battled courageously in both matches but sadly luck was not on their side for the final result. A special mention must go to Renikah, who put in a superb performance in her role as goalkeeper. Thank you to Mr Goodbody and Mr McIlroy who transported the children and supported them throughout the tournament.
