**Hordain Football Tournaments:** Once again, the Moat House team played really well against European opposition. We played teams from France, Czechoslovakia and Bulgaria on the first day. We played well but, despite several chances, we didn't manage to get on the score sheet. On the second day the boys played even better and won two of their three matches. We played against the Hordain second team (we won 3 - 1), the Hordain first team (they won 4 - 1) and finished off by playing Southfields, who we shared a coach with. We beat them 2 - 1. Our top scorer was Jessy with 4 goals. Nathaniel and Tyreece scored one goal each. The boys had a great weekend and their host families spoke very highly of them.

**Highly Sprung:** On Tuesday, Year 3 visited the Warwick Arts Centre to perform their piece at the Highly Sprung Outcome event. They got to perform with another six schools, with over 400 children taking part in the event altogether. Through dance and movement, the Year 3s demonstrated how the universe was created and how humans have evolved over time. The children really enjoyed their time spent with the Highly Sprung team and were very well behaved throughout all of the sessions.

**Year 4 Quad Events:** On Tuesday, twenty four of our Year 4 children participated in four different athletics events at Henley Green Primary School. The events they completed were as follows: the 400m race, 50m sprint, standing long jump and javelin. All of the children enjoyed representing Moat House and overall they came fifth.

**Year 2 SATs:** All of the staff in Year 2 would like to say a HUGE well done to the Year 2 children, who have completed their SATs over the last few weeks. The children all worked extremely hard and enjoyed a well-deserved trip to Bermuda Park, this morning, where they all had fun playing in the floor to ceiling soft play centre.

**Walk to School Week:** This week, many of our children have taken part in Walk to School Week and as a result of this have earned stickers, which will be converted to house points for their team. They have also been rewarded with a packet of sunflower seeds for taking part in the challenge. Thank you for supporting us to walk to school this week and we hope that you and your children have enjoyed the many benefits of a daily walk.

**General Data Protection Regulations:** The General Data Protection Regulations come into effect on the 25<sup>th</sup> May 2018 to replace the Data Protection Act introduced in 1998. We have set up a new page on the school website which displays documents explaining the schools responsibility and your rights with respect to Data Protection.

**Family Fun Day:** Are you looking for something to do at half term? Why not come along to a Family Fun Day at Wood End Family Hub (next to Moat House, at the end of the car park)? It will be held on Friday 1<sup>st</sup> June 2018 (11 am until 2 pm). Activities are free and will include face painting, a bouncy castle, a dance demonstration, games, a treasure hunt and music with DJ Mickey Dee. The new name for your Family Hub will also be revealed so we hope that you can join us!

**Pause for Thought:**
