Dear Candidate,

Thank you for your enquiry regarding the position at Moorside High School. I have pleasure in enclosing our candidate pack.

We are seeking to appoint an engaging and enthusiastic Teacher of English to join our talented and successful English department from September 2019. The successful candidate will be welcomed into a highly supportive team.

Applications are invited from newly qualified teachers. We offer all our NOT's an excellent induction programme.

Over recent years Moorside High School has gone from strength to strength and has a reputation for excellence at Local Authority and National level. We are committed to raising aspirations and standards for students, staff and the wider school community.

Moorside High School has many special characteristics. We recruit many of our students from out of our catchment. We are a very inclusive high school and we have a strong partnership with Painsley Catholic College, who are our sixth form provider. Provision here is excellent and results are usually near the top of the county performance tables. We have low staff turnover, a similar to average ability intake, sound finances and very supportive governors.

If you have the necessary skills and qualifications for this post, we would be delighted to hear from you. Please complete the application form and send a supporting letter. Your letter should state:

- your experience to date
- how you would make the subject interesting and accessible to all students

The letter should be no more than two sides of A4 using font size 12.

Thank you for your interest in Moorside High School.

Yours sincerely,

S N Clarke
