April 2019

Dear Candidate,

Thank you for your enquiry regarding the position of Teacher of Mathematics, at Moorside High School. This post would be suitable for a NQT as full training will be given.

I have pleasure in enclosing our candidate pack.

Over recent years Moorside High School has gone from strength to strength and has a reputation for excellence at Local Authority and National level. We have become used to, and expect, continued progress and are committed to raising aspirations and standards for students, staff and the wider school community.

Moorside High School has many special characteristics. We recruit many of our students from out of catchment. We have low staff turnover, a slightly above average ability intake, sound finances and very supportive governors.

We are looking for a Mathematics teacher who could teach at Key Stage 3 and Key Stage 4.

If you have the necessary skills and qualifications for this post, we would be delighted to hear from you. Please complete the application form and send a supporting letter. Your letter should state:

- your experience to date
- how you would make the subject of Mathematics interesting and accessible to all students

The letter should be no more than two sides of A4 using font size 12.

Thank you for your interest in Moorside High School.

Yours sincerely,

S N Clarke

Mr S N Clarke
HEADTEACHER
