March 2019

Dear Candidate,

Thank you for your enquiry regarding the position of temporary Teacher of Girls PE (Maternity Cover), at Moorside High School. The post would be suitable for an NQT as full training will be given.

I have pleasure in enclosing our candidate pack.

Over recent years Moorside High School has gone from strength to strength and has a reputation for excellence at Local Authority and National level. We are committed to raising aspirations and standards for students, staff and the wider school community.

Moorside High School has many special characteristics. We are an oversubscribed, expanding school - we recruit many of our students from out of our catchment area. We are a very inclusive high school and we have a strong partnership with two other local high schools. We have low staff turnover, a slightly above average ability intake, sound finances and very supportive governors.

We are seeking to appoint an engaging and inspirational Teacher of girls PE to join our talented and enthusiastic department from September 2019 to cover maternity leave. This will be a fixed term post for 12 months. Ideally, the successful candidate will have an interest in teaching Netball and will be welcomed into our highly supportive team.

If you have the necessary skills and qualifications for this post, we would be delighted to hear from you. Please complete the application form and send a supporting letter. Your letter should state:

- how you would make the subject of PE interesting and accessible to all students and what you could offer in this role

The letter should be no more than two sides of A4 using font size 12.

Thank you for your interest in Moorside High School.

Yours sincerely,

*S N Clarke*

Mr S N Clarke  
**HEADTEACHER**
