October 2018

Dear Parents/Carers

### **Early Years and KS1 Remembrance Poppy Morning**

At Moorside we are currently taking part in activities and visits to commemorate the centenary of WW1. All the children have been busy learning about the impact of WW1- remembering and honouring the soldiers and the people who helped alongside them. As part of our learning, we have been focusing on the symbol of the poppy and its importance in never forgetting the sacrifice that was made for us in WW1 and in wars since.

We want to make sure our celebrations for the WW1 centenary are shared within the Moorside community so we are holding an Early Years and Key Stage One Remembrance Poppy Morning on the morning of Thursday 1<sup>st</sup> November 2018. We are inviting parents/guardians to join us in making poppies with their child's class and learn facts about the war together. Parents/ guardians are to drop their children off at the normal school time and wait at their child's classroom for a start time of 9.15am and the session should last until approximately 10.30am.

In addition to this, we are asking parents/guardians to have a think about their Family Tree and bring along any photographs, medals and other items that relate to WW1 to share stories. These photographs can be added to our Moorside WW1 memory tree which can be located at the main reception.

We look forward to seeing you,

Thank you for your support,

Miss Cowperthwaite and Miss Potts

*To go further than we thought possible  
To run faster than we hoped  
To reach higher than we dreamed  
To be the best that we can be*
