15th October 2018

Dear Parents/Carers

### **Year 1 trip to Eureka**

As part of our science topic about the human body, we have organised for Year 1 to visit Eureka in Halifax. Eureka is an interactive science museum where children get to explore a number of different galleries. They are able to learn about the body, completing activities such as measuring how tall they are and how far they can reach. The children will also be able to learn about the role of doctors and dentists as well as other professions.

All three year 1 classes will be visiting on **Tuesday 13<sup>th</sup> November 2017.**

Children will be provided with a school packed lunch to take with them. If you would prefer to send your child with their own packed lunch, please ensure it is in a named/labelled plastic bag so it can be thrown away after lunch and they do not need to remember to bring anything back to school.

We will be travelling on a coach and one of the schools minibuses. We will need to be on the buses and ready to leave at 9am, therefore please ensure your child arrives promptly at 8:45am. We will return in time for home time.

We kindly ask for a contribution of £13.50 which will cover the cost of entry to the museum and the cost of the coach. Please arrange to make this payment via Parent Pay or by collecting a payment barcode from the office. By making this payment you are giving your consent for your child to attend the visit.

Yours sincerely,

Miss Chapman, Miss Payne and Miss Potts.  
Class Teachers
