Dear Parents/Carers

Year 1 Fund

Welcome to Key Stage 1! As you may have noticed, our provision area is up and running and the children are really enjoying it!

Each classroom now has a dedicated construction area, role play area and ICT area. As well as this, we will also be offering children regular access to cookery and woodwork areas where they will be able to make creations and gifts to bring home. As the children are able to design and create things of their own to keep, we are asking for a voluntary donation of £1 per week to support this.

As with the Early Years fund, this can be paid weekly to the class teacher or, for your convenience, we have provided an envelope should you wish to pay for the half term in one payment.

This money will be used to buy ingredients, extra craft items, wood/screws/nails etc, stamps and other items to enhance learning in Year 1. Without your kind donations, we would have to restrict children and many of the fantastic things they produce would not be able to be saved and bought home.

Thank you for your continued support.

Yours sincerely

The Year 1 Team
