June 2019

Dear Parents / Carers,

Re: Early Years Sports Day – Wednesday 3rd July 2019 1.30pm to 3.00pm

EYFS Sports day will be on **Wednesday 3rd July**, weather permitting. If sports day is cancelled due to the weather a text will be sent out to all parents.

The sporting activities will commence at **1.30pm** on the primary school field, near the blue entrance gates of the KS2 Playground. Reception will start followed by Nursery and last, but not least, Parent races!

You are invited to come along and support your child/ children – you may even like to take part in a race yourself! Please bring with you a picnic blanket, a drink and a small snack for yourself and your child/children after the races. If you are not able to attend we will provide your child with a school snack and drink.

When the sporting activities are over we will come together on the grass and have a picnic.

Here are a few reminders to help this event run smoothly:

- All children need to arrive at school in suitable sports clothing particularly sports shoes (School shoes with no grip will be unsafe on the grass)
- All children will need appropriate sun hat. (with names inside)
- Please provide sun cream.
- Please do not cross the running track to see your child and please keep all toddlers away from the running track –for their own safety and to ensure the races run smoothly over the afternoon.
- Please ensure that after the picnic, you take your child back to their key person so they can take them safely back to their classrooms.

We hope you enjoy your child's sports day.

Thank you for your support

Yours sincerely

The EYFS Team
