NSPCC Parent E-Safety Workshops

May 2019

Dear Parents and Carers,

We're here to help you keep your child safe online

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools; support and guidance to help parents and carers have frequent conversations with their children about their online lives.

Free online safety workshop for parents and carers

We would like to invite all parents, carers or family members to a free **online safety workshop** to be held here at Moorside Community Primary School at **9.00am on 24th May 2019**. The content covered in the workshops is aimed at adults. Parents with children are advised to arrange childcare if possible.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

"After coming to this workshop today, I realise the importance of having conversations with my child rather than avoid the subject. I didn't know there were things I could do to make it better, I'm so glad I came to this workshop. I will definitely be calling the helpline or going into store to get some help, thank you." – Parent who attended the workshop

Don't miss out on this great opportunity. Register your interest by returning the slip below to the school office.

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit our NSPCC and O2 NSPCC website pages,
- Call our free O2 NSPCC Online Safety Helpline on 0808 800 5002
- Download our Net Aware app on the App Store or Google Play
- Pop into your local O2 store for online safety help from a Guru – you don't even have to be an O2 customer!
- Sign up to our icebreaker email series.

Yours Sincerely

Mr S. Lawler-Smith
