Dear Parents/Carers,

We are keen to promote children taking ownership of sharing their learning and we are therefore very pleased to announce that, following a hugely successful trial in Year 5 and one of our football clubs, we will be starting to use Seesaw throughout Key Stage 2. Seesaw (<http://seesaw.me>) is a secure online journal (similar to Tapestry used in EYFS) where students can document and reflect on what they are learning in class. Your child will be able to independently add photos, videos, worksheets, drawings and voice recordings to their Seesaw journal.

We can share this privately with you and other family members so you can view and comment on work throughout the school year. This gives parents and carers a greater insight into a Key Stage 2 day and allows the children to show off any learning they are proud of.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>. Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign below and return this permission slip so that your child can use Seesaw.

Miss Gunn (Computing lead for Key stage Two)

Please sign below and return the form.

I give consent for my child, listed below, to use Seesaw for class activities.

As a parent/carer I will...

- Not publish any of my child's observations, photographs or videos on any social media site.
- Understand that my child's image may be used in another child's profile if they are engaged in the same activity. This image will not be shared by the other parent (please see above point)
- Keep the login details within my trusted family
- Speak to a member of staff if I experience any difficulties accessing my child's learning journey
