Friday 8th February 2019

Dear Parents/Carers,

South American Day

We have arranged to have a themed learning day to celebrate our current topic South America on **Friday 15th February 2019**.

We have planned lots of exciting activities for the day such as language lessons, dancing and we would also like to give the children the opportunity to sample dishes that are enjoyed in the continent. We ask that a donation of 50p per child could be sent into school and given to the class teacher by **Thursday 14th February** to help with the cost of the food. If your child has any food allergies can you please bring this to the attention of your child's teacher.

Children can also wear colours that are linked to South America from anyone of the countries flags or any native dress should you have any.

If you have any questions please do not hesitate to ask a member of the year three team.

Thank you for your continued support.

Yours sincerely

The Year 3 Team
