Dear Parents / Carers of Year 4

Our final trip this year is to Ainsdale Beach and Discovery Centre (near Southport) to support our science topic on How do humans spoil animal habitats?

We have been looking at different habitats and more recently about the beach and sea and the ways humans are damaging it.

We will visit the beach and use the discovery centre there as our base to explore the beach and dunes.

The dates for each class are:

Maple 1 Friday 12th July
Maple 3 Tuesday 16 July
Maple 2 Friday 19th July

For each trip, children should wear their school t shirt and sweatshirt along with their own choice of trousers or shorts. They should wear pumps or trainers and bring a coat in case of bad weather.

Children should bring a packed lunch and a few drinks in case it is very warm but no glass bottles. Those children on free school meals will be given a packed lunch but are welcome to bring extra drinks with them.

The cost of the trip is £5.00, which we ask you to pay either via Parentpay or by collecting a barcode letter from the school office. By making the payment, you are consenting to your child going on the trip and taking part in the activities.

Thank you for this and your previous support for our trips this year.

Yours sincerely
Year 4 staff
