

CCTV POLICY

INTRODUCTION

The purpose of this policy is to regulate the management and operation of the Closed Circuit Television (CCTV) System at Thomas's Academy (the **School**). It also serves as a notice and a guide to data subjects (including pupils, parents, staff, volunteers, visitors to the School and members of the public) regarding their rights in relation to personal data recorded via the CCTV system (the **System**).

The System is administered and managed by the School, who act as the Data Controller. All fixed cameras are in plain sight on the School premises and the School does not routinely use CCTV for covert monitoring or monitoring of private property outside the School grounds.

The School's purposes of using the CCTV system are set out below and, having fully considered the privacy rights of individuals, the School believes these purposes are all in its legitimate interests. Data captured for the purposes below will not be used for any commercial purpose.
