

Sports Premium Update 2016

Our staff and children are benefitting greatly from the Sports Premium funding which is having a positive impact on our pupils' physical wellbeing as well as broadening all of our horizons with regard to sporting experiences. Below is an outline of our use of the Sports Premium Funding to date and its impact on our school and pupils;

- We have employed a specialist sports coach to work alongside the teachers in the delivery of the PE curriculum. This is having an impact on the quality of learning as pupils are being taught skills in a more systematic way. This trainer is also a highly qualified football coach and his expertise has enabled us to enter several competitions.
- We are updating P.E. resources in order to meet the demands of the new curriculum and ensure high quality teaching.
- There has been a definite growth in the range of alternative sporting activities that we have been able to offer our pupils. We are currently able to offer basketball, football, tennis, tag rugby, multi-sports, table-tennis and dance.
- We involve the least active children by running [Change4Life](#) clubs after school.
- We have used the funding to increase pupils' participation in the LA School Games competitions.
- We provide a free fitness club every morning from 8.00am to 8.45am.
