

Year 1 Homework

Spring 1 - Space

Below you will find a list of different activities. Please choose **at least 1 activity each week** to complete. Place a tick next to the activity once completed and make your recordings on a new page in your book. Please date each piece of work.

Remember, you may choose to write things down, draw, take pictures or make a short diary entry. We look forward to seeing what you have done at home!

Please ask you class teacher if you have any questions.

| Activity | Completed |
|---|------------------|
| Tell us what you know about space Can you find out some information about space? What do you already know? Can you write some amazing sentences about what you have found? | |
| Explain different types of weather What different types of weather do you know? Can you draw and label them? What do you need to wear in each type? | |
| Fractions What fractions do you know about fractions? Can you draw or show $\frac{1}{4}$, $\frac{1}{2}$ or $\frac{3}{4}$ of a shape? Think about pizzas, apples and oranges. | |
| Keeping safe poster Create a poster on how to stay safe. What does safe mean? This could be about your journey to school, cooking in the kitchen, online safety or something else of your choice. | |
| Play Simon says with different turns ($\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$) Someone say different instructions such as 'Simon says make a quarter turn' and the other person does the command. Then swap and give someone different instructions! | |
| Try and adding and subtracting using your fingers Work on adding and subtracting 2 numbers using your fingers. Can you subtract the small number from the big number? You may want to challenge yourself by adding 3 numbers, for example $3+4+2=$. | |
| Create your own alien What does your alien look like? Do they have a name? What makes them different to humans? Can they speak? | |
| Explore different planets What planets do you know? Can you tell me about the size or temperature of any? Can you draw any? What facts do you know about the planets? | |
| Counting in twos, fives and tens Can you count in 2s, 5s or 10s? You may wish to write multiplication number sentences or count different groups of objects such as shoes or pegs. | |
| The four seasons What are the four seasons? What is your favourite season? Can you describe what happens in each? Can you order them? What festivals or celebrations happen in any of the seasons? | |
