**SCHOOLWORK**

The beginning of term is the time to make sure that children begin the work in their books neatly and that the presentation of everything is neat and orderly. This helps children to learn and develops life skills of taking care and organization. I have seen many examples of great presentation of work as I have walked round the school.

**REMINDER - MUSIC LESSONS AFTER SCHOOL**

There are several parents who have approached the school about individual music lessons. These are additional lessons which will carry a small weekly charge. I am looking to provide violin lessons for children and provide instruments for practice at home. The lessons will be led by a qualified tutor. The cost will depend on how many children want to learn. Please let Mr. Brown know if your child is keen to learn the violin this year.

**PUNCTUALITY**

School begins at 8.55am. The gate in the Key Stage 2 playground will close at 8.55am from next Monday, 25<sup>th</sup> September. Please make sure your child is at school before this time. The Key Stage 1 gate will remain open until 9.00am.
