Wednesday 3rd January 2018- first day of school for all children

CELEBRATION OF FOOD- MONDAY 18th DECEMBER

On Monday 18th December, we invite you to prepare something for our celebration of food in the afternoon after school. Please prepare a sweet or savoury dish, perhaps traditional to your country which we can share at the event. The food may be brought in at 3.00pm on Monday 18th, or earlier in the day if it does not need to be reheated. Please label your dish with those ingredients which may cause allergies. Please contact Lydia and Miss Robertson for more information.

Children, may if they wish, come to school in traditional dress for the day on the 18th and the celebration will take place in the lower hall from 3.30 – 4.30pm. Money raised will help children go to school in Ghana.

"Education is a human right with immense power to transform" Kofi Annan

Education is the foundation to a happy, healthy and positive childhood, and it's the single most effective way to alleviate poverty, yet there are still an estimated 61 million primary school-age children still out of school.

Please make sure your child is wearing a warm coat to school every day during winter – they will need it to play outside at breaktime!

TALK TO YOUR CHILD – READ WITH YOUR CHILD

This week's question is:

If you could change the school uniform, what would you do?

When you read your story book, ask:

If you could draw a picture of this scene (from the book), what would it look like?

PUNCTUALITY AND ATTENDANCE

Well done to **Plum, Willow and Hawthorn** class who had the best attendance in the school last week!

Willow were also the most punctual class with no lates at all.
