

History : Ancient Egyptians

Essentials for this subject

- *Timeline – AD / BC
- *Place main events / artefacts / people on a timeline and label – using dates
- *Dates, time periods, era, change, chronology
- *Using English/ maths / IT skills to communicate their knowledge
- *Compare and contrast social, ethnic, cultural or religious diversity of Roman vs Egyptians
- *Reasons for differences in viewpoints of versions
- *Causes and consequences of main events

Science : Electricity

Essentials for this subject

- Identify common appliances that run on electricity
- Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches & buzzers
- Identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery
- Recognise that a switch opens / closes a circuit and associate this with whether or not a lamp lights in a simple series circuit
- Recognise some common conductors, insulators, associate metals = good conductors

Outcomes:

British Museum Trip 16.1.2017

Presentation of information about life in Ancient Egypt to a buddy class.

LINKED READING (BOOKS)

Non-fiction books to research Ancient Egypt.
