

## **SPORTS PREMIUM 2016-17**

At Orchard Primary School we believe that PE and sport has the potential to change young people's lives for the better.

Through PE and sport our children learn to develop the important qualities of discipline, resilience, communication and team work leading to improved concentration, attitude and academic achievement.

The Government has allocated funding directly to primary schools, known as the *Sports Premium*, to support the provision of PE and sport for the benefit of pupils so that they develop healthy lifestyles.

### **Sports Premium Grant**

In 2016/17 Orchard Primary School will receive approximately £10680 of sports premium funding.

We work closely with **Sport Impact** ([www.sportimpact.co.uk](http://www.sportimpact.co.uk)) and have identified key areas through a self-review process to ensure we can meet the high expectations in PE and Sport for our children.

The School is using 75% % of the funding to work in partnership with our partners at Sport Impact
