

“We grow towards God through love, prayer, respect and learning”

Values for Life

February 2016

The value we will be focusing on this month is Love.

Things to promote this value:

- * Discuss what love means in your class
- * Research significant people and how they have shown love
- * Find out about why people celebrate ‘Valentine’s Day’?
- * Who was Mahatma Gandhi and how did he show love?
- * Read parables that teach us about love
- * Find examples in the Bible where Jesus has shown love
