

Year 12 End of year exam timetable

A Year 12 exam period will start on Monday 12th June and finish on Thursday 22nd June. This opportunity has been created to allow students to practise the new style A Level exam questions in the linear courses. Exams will take place according to teaching block in order to minimise disruption and accommodate as many students as possible in the short time frame available.

All exams will take place in the Sports Hall unless agreed otherwise. Exams should be a maximum of 2 hours but can be less.

There is no formal study leave planned within this period. Students will continue to attend lessons unless they are in an exam. You will note that not all subjects are holding internal exams.

Students are expected to achieve at least a grade D in order to ensure progression into Year 13.

Block A – Monday 12th June
