JUNE		
<p>Outside Speaker From “Discover Fortunes”</p> <p>Financial planners (or wealth managers) help people sort out their financial future. Whether you’re a Premiership footballer or an office manager, you will need to protect and grow your wealth over your lifetime, for you and your family. The Discover Fortunes event gives you the chance to put in place a financial plan for different people, ranging from a sports star to retired multimillionaires. It’s a great way to understand more about financial products that you will need later in your life.</p> <p>Working in teams, the Discover Fortunes competition will get you showing off your employability skills as well as learning about financial planning from those doing it. If you like what you see, you can join the CII’s global network for free at the end and get networking.</p>	<p>Mariona Solé</p> <p>H8 - NP campus</p>	<p>6th June - NP campus</p>
<p>Outside Speaker From “Discover Risk”</p> <p>Businesses around the world have a wide range of risks to manage – from broken taps to broken reputations. The Discover Risk event gives you a flavour of some of these risks – by putting you in the shoes of the underwriter, the person who decides which risks to accept.</p> <p>Working in teams, the Discover Risk competition will get you showing off your employability skills as well as learning about global risk management from those doing it.
