Student A

You need to know:
1. I have dyslexia and dyspraxia.
2. My handwriting is poor.

Please DO:
1. Let me use a laptop or a scribe.
2. Give me chunked instructions.
3. Check my understanding of the task.
4. Make sure my homework is in my planner and that I understand fully.
5. Sit me by a student who is calm and sensible.

Please DON’T:
1. Talk too much as I become unfocused.
2. Shout, it makes me sad and I can’t focus.
3. Ask me to read out loud or ask me a question if my hand is not up. Come and ask me quietly instead.
