#### Present:

Miss Arif, Mr Moffat, School Councillors.

### Hadrian School

Mr Moffat spoke to the councillors about a very unfortunate incident that took place at a school for children with special needs. Hadrian School in Newcastle was vandalised. Equipment was damaged and extremely unkind graffiti was written across the playground. The school are trying to raise funds to repair the damage. Mr Moffat asked the School Council to discuss any ideas they had about this. There were many good ideas including cake sales, donation boxes for example, but all the children agreed having a 'Non-Uniform' day would be a good way to raise money for Hadrian School.

### Letter about Hadrian School

Tayyibah and Fatima from Year 3 drafted a letter to parents/carers and took it to Mr Williams. The School Council decided **Friday 27<sup>th</sup> April 2018** would be a good time to do this. Staff and children can wear their own clothes on this day. A minimum donation of 50p will help the children of Hadrian School. The letters were printed off and sent out to the whole school.

### Defibrillator

The councillors designed posters to be put around the school about raising funds for a defibrillator for Parkfield. We are hoping to have the cake sale within the next few weeks.
