Dear Parents

This week has been a busy week for trips. Year 5 have been visiting Selly Manor in Bournville, which is one of the oldest buildings in Birmingham. The children I spoke to about the trip really enjoyed their visit and they found out lots of information about life in Tudor times. They certainly know that there is a lot more to the Tudor period than just Henry VIII and his 6 wives.

On Thursday, I had the pleasure of accompanying our brand-new School Council on their trip to the Houses of Parliament. We plan this visit each year so that they can prepare for their new roles by learning about how democracy works in our country. As well as having a guided tour around the inside of the Houses of Parliament (and seeing how many famous faces we could spot), we also visited Buckingham Palace, Downing Street and Westminster Abbey (which is where the members of our royal family get married). Although being at school for 6:30 in the morning isn’t everybody’s idea of fun, we all had a fabulous and very memorable trip.

Parkfield’s school council have a very busy year ahead of them. I’m sure that they will represent all our pupils magnificently though.

Well done everybody who has had a trip this week. You’ve impressed a lot of people with your good choices, your questions and your knowledge. I’m proud of you!
