Message from the Headteacher

Dear Parents

Next week is the half term break and although your child will not be at school, there is plenty of learning they can be doing at home. This includes reading or using online learning, such as Mathletics or Literacy Planet. This is also a fantastic opportunity for your child to do their own little project about something that interests them. This could include model making, reading, writing, research, presentations or art work. Their teachers would love to see and hear about these after the holiday.

This week, Year 3 have been to Rugby’s Museum and Art Gallery. Here they found out about what life was like in Roman times (which supports their topic in school). They also had the opportunity to look closely at a range of artefacts and make Roman sandals and mosaics. Year 3 represented Parkfield excellently on this trip. Well done Year 3!

After the holidays we will be having our Parents’ Evenings. If you haven’t already, you will soon be receiving an invite and a time for this from your child’s class teacher. During these meetings you will receive a copy of your child’s attendance, their termly report and a summary of their achievements and areas for development. These meetings are really important in helping you and us to support your child to reach their potential. We look forward to seeing all of you then.

We are also hosting a book fair after the holidays (28th February-7th March). This is always very popular and is a great way of encouraging your child’s love of reading. Please try to bring your child along to this.

I hope that you all have a wonderful holiday and we look forward to seeing everybody safe and well when school reopens on Monday 26th February.
