Dear Parents

Congratulations to the girls’ football team who played on Friday evening at Aston Villa. They are now second in their league and narrowly missed going top by drawing their final game of the evening. Hopefully over the remaining games they can push for top spot.

If you unfortunately were not able attend parents’ evening, please arrange an appointment to see your child’s class teacher as soon as you can. These meetings are really important with supporting your child so they are able to reach their potential.

Parking on the yellow zig-zag lines has been mentioned time and time again in newsletters. Before school, most parents are not parking on these. Thank you! After school though, a few parents have complained to me that this is taking place. Please be considerate and do not park on these lines. This is for the safety of all children at Parkfield.

After their trips were cancelled due to the recent snow, 6O and 6E finally got to visit Bletchley Park. They had a really informative trip and found out lots of information about how the workers here played such an important job in helping to win World War 2. They also got to see some real World War 2 artefacts, including one of the first ever computers.

Childline is a free 24-hour counselling service for children and young people up to 19 years old. Children can call them free on 0800 1111 if they have any worries that they are unable to talk about with family members. Their child friendly website (www.childline.org) also contains lots of information about dealing with issues that most young people face. If you have a child in KS2, please encourage them to explore this website.

Kitchen Catering

Following an unannounced visit from the food standards agency, Parkfield School is delighted to announce that we have been awarded a 5 star rating again.

Our thanks must go to our fantastic chef Mr Orel and his hard working kitchen team for their diligence and commitment. We are very proud.

![Mathletics Megastars](5L 5L)

This week’s Mathletics Megastars are:

- **Halima A 5L**
- **Ali S 4M**

Well done to the amazing mathematicians who were able to complete last week’s puzzle:
- Hamza (5C), Saniyah (2J), Hasnain (3T), Hasim (4M), Iqra (3ST), Sakariya (5L)

Congratulations to 5L, who scored the most points in the entire school! Well done!
Don’t forget, if you’re on the leader board take a picture and show Mr Lewis!
