**MESSAGE FROM THE HEADTEACHER**

Dear Parents

Congratulations to the Year 5 and 6 rugby team who managed to reach the finals of a competition against 9 other schools. Unfortunately, they didn’t win the final and lost 3-5. You should all though be really proud of your performances. Well done! A special well done also goes to Haseeb (6E). It was wonderful to hear from Mr Latham about how many times people at the competition recognised Haseeb’s honesty, sportsmanship and manners during it. Thank you Haseeb for representing our school so well.

Children’s behaviour at Parkfield is generally outstanding. It is my privilege to be head of a school where we have so many fantastically polite, respectful and well-mannered children. These children are a real credit not only to the school but also to you as parents. As a school we value the role that parents play in helping to support this and I thank you for your efforts here. Occasionally, we do have children who do make poor choices at school and of course we invest a lot of time and effort with these children to help them to make better choices in the future. Sometimes though, we do have to exclude pupils who cannot improve their behaviours and continually disrupt the learning of others.

We have three school rules at Parkfield.

Be:
- Respectful
- Ready
- Safe

I would be grateful if you could discuss these rules with your child at home and how they show these behaviours at school.

Mr Williams
Headteacher

Dear Parents

At this time of year many schools across the country have a Easter Parade to celebrate the coming of spring and the Easter Festival. We would like to invite all children in EYFS,Y1,Y2 and Y3 to enter a competition to make an Easter Bonnet at home which they can wear in school as part of our parade on Thursday 29th March.

**Maths**
There are a variety of maths resources available to purchase at the front office including Times Table snap cards, maths books, and puzzle books.  All are at very reasonable prices.  These will help your children develop their learning at home. Please ask at the office for more information or see your child's teacher.

**This week's Mathletics Megastars are:**
- Ahmed 2B  
- Danial (5L)  

Congratulations to 5C, who scored the most points in the entire school! Well done! Don't forget, if you're on the leader board take a picture and show Mr Lewis!
