Message from the Headteacher

Dear Parents

It is wonderful to see everybody back after the holidays. I hope that you all had a lovely week with your children.

Most classes this week have had their Parents’ Evenings. I hope that you found these useful. If you were unable to make your appointment, please see your child’s teacher to reschedule this as soon as possible.

On Monday, 6B went on their trip to the once top-secret Bletchley Park, to find out about codebreaking and how important this was in World War 2. Unfortunately, we had to cancel the trips for the other two classes due to the weather and safety concerns. I apologise for any disappointment this has caused. We will try our best to reschedule these trips for a later date.

On Tuesday, Year 2 went to visit the Rosary Church. It is always fascinating for children to find out more about other religions and to answer their questions about them. These trips are also vital in helping children to prepare for life and work in multi-cultural Britain.

Recently, we have had some pupils who have started bringing unhealthy food options for their class fruit times. Please can I remind you that fruit should be eaten during these times and we will not allow chocolate or crisps to be consumed.

Please listen to Free Radio or Radio WM in the event of snow to see if school is open. I will also write any closure information on the front page of the school website by 7:30 if we have to close due to snow (www.parkfield.bham.sch.uk).

Headteacher

Well done to the amazing mathematicians who were able to complete last week's puzzle:

Aman (4O), Hamza (5C), Ibtesham (6E), Taseen (6E) and Husnain (3T)

Well done 6E! You've got an incredible amount of points this week, gaining more points than any other class! Don't forget, if you're on the leader board take a picture and show Mr Lewis!
