Message from the Headteacher

Dear Parents

Over the next two weeks, you will hopefully be enjoying some time with your children. There are plenty of places and events around Birmingham to keep your children’s minds stimulated during the holidays. Here are just a few examples:

1. A visit to Birmingham’s Museum and Art Gallery is certainly worth a trip and it’s free. Here children can see the Staffordshire hoard, find out about life in Roman times and see ancient Egyptian artefacts.
2. The National Sea Life Centre in Brindley Place - based right in the city centre, you can see sharks, turtles, starfish and say hello to Nemo and Dory too.
3. The Thinktank - Birmingham Science Museum at Millennium Point - walk under and over a Spitfire, meet a giant sea monster and stargaze in the planetarium. And it's free to go into the Science Garden after 3pm.

Please remember that learning does not end because your children are not at school. Children can use Mathletics and Literacy Planet to improve their maths and English skills. There are also many useful websites such as BBC Bitesize http://www.bbc.co.uk/bitesize. This is particularly useful to children in Years 2 and 6 who are busy preparing for their SATs tests, which will take place after the holidays.

I hope that you have a wonderful holiday and I look forward to welcoming everybody back safely into school on Monday 16th April.

Mr Williams
Headteacher
