Dear Parents,

I hope that everybody who celebrated Eid had a wonderful time.

It was my absolute pleasure on Tuesday this week, to visit Birmingham City University with Mrs Hadley, Ms Ikhaq, Mrs Ali, some of our parents and twelve Year 5 girls for their Mosaic project graduation. This project has been running for a number of years at Parkfield and is aimed at raising the future aspirations of girls. As we know, thanks to our ‘No Outsiders’ work, both boys and girls can do any job that they want to when they are older, as long as they work hard to get there. During the Mosaic project, the girls carried out a range of activities at school over a number of weeks, with their moms. This week was a celebration of all their hard work. Firstly, they had a special tour around Birmingham City University and got to see their stunning facilities. They then got to have their very own graduation ceremony. Well done girls and thank you to all of the parents who supported their children with this. Also thank you to Mrs Hadley for her hard work in organising this.

Good luck to Years 3, 4 and 5, who will be starting their end of year tests next week. Please ensure that they go to bed at a suitable time. A good night’s sleep really does help them to do their best.

Mr Williams

---

**Dates in the diary**

**Monday 25th June**
Class 4M to Warwick Castle

**Tuesday 26th June**
Class 4FM to Warwick Castle
Animal man visit -EYFS
Years 1 & 2 sports day 1:40-3:10pm

**Wednesday 27th June**
Class 40 to Warwick Castle

**Friday 29th June**
Joseph Chamberlain College enrolment 9-11:30am
Please see details below

---

Join us on the 29th June between 9-11:30am for information on all courses starting in September. Joseph Chamberlain College will be here for more information about courses in ESOL, English and IT.

Letters have now gone out for our residential to Condover Hall to all year 5 students. If you would like your child to take part, please fill in the form and return it to school as soon as possible. The cost of the trip is £80, which covers the cost of all activities and transport. Please use your Parentpay log in details to pay the £10 deposit and secure a place.

Next week marks the start of the Mathletics Summer Challenge - 25th June - 1st July

Last year we came fourth in Europe! This year, I hope we come FIRST!

Parents, please encourage your children to complete as much Mathletics work as possible!
There will be prizes for children who earn lots of points!

---

Kieron's cats
Kieron has three cats. Each is a different weight.
The first and second weigh 7kg altogether.
The second and third weigh 8kg altogether.
The first and third weigh 11kg altogether.
What is the weight of each cat?

Can you use the bar model to help you solve this problem?
If you think you've got it, return this (with your name and class) to receive house point reward!

---

This week's Mathletics Megastars are:

Amr 4FM
Joseph 6G

A big well done to 40, who have scored the highest in the school! Be weary though as 5C and 4FM were very close behind!

Recently, I have not had many people show that they are on the leader board. If you are, take a picture and show your teacher or myself to receive a prize!
Mr Lewis
