Dear Parents

Parents’ evenings are always popular at Parkfield. I hope that you found last week’s parents’ evenings to be both informative and valuable. I also hope that you found the new tick box reports, which you will have been given in Years 1-6, to be useful. During your meeting, your child’s teacher will have spoken to you about areas your child needs to work on to improve. To help us support and develop your child, please do additional work with them at home in these areas. Only by working as a team can we ensure that your child reaches their full potential. If you were unable to attend your child’s parents’ evening, please see your child’s class teacher after school or contact the school office to arrange a more convenient time for this.

Last week, I spent some time with the children and staff in our EYFS. Wow! I saw some fantastic measuring and weighing lessons and a wonderful phonics lesson. The children all seemed to be really enjoying their learning and spoke to me about it in a way that showed a clear understanding. Well done everybody in EYFS!

On Tuesday this week, I had the pleasure of accompanying 6E on their visit to the Warner Brothers’ Studio in Watford for their Harry Potter trip. I was so impressed with their enthusiasm and knowledge about the Harry Potter books and films. Year 6 are obviously really enjoying their topic this term. They, like the other Year 6 classes that have been on the trip this week, represented our school brilliantly. Myself and the Year 6 teachers are really proud of you. Well done!

Mr Williams
Headteacher

**Parent News**

Parkfield school are carrying out a family reading survey. If you would like to complete a survey but have not received a form, please collect one from the school office and return it by **Friday 17th November**. The survey can be completed anonymously, but if you include your child’s name and class they will be entered into a prize draw.

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Al-Khair Foundation Charity No 1126808
We will be collecting for Burma. Please donate generously. You can see Rashida or Layla during our Thursday coffee mornings if you have any queries. Thank you.

---

**Winter Wonderland**

There will be a trip to **Winter Wonderland** in London. We have limited spaces available for this trip.

**When:** 28th December 2017

**Time:** 8.30am at Parkfield School

**How Much:** £13 per seat (deposit to reserve space £6.50)

Please see Rashida, Sandra or Layla during the Thursday coffee morning in the Community room at 9am for more information. Thank you Rashida, Pastoral Care.
Weekly Maths Puzzle!

Bring your completed puzzle to Mr Lewis, with your name and class on, to receive a prize!

Marvellous Mathematicians from last week are:
- Hasnain 3T
- Hamza 5C

You each receive 20 house points! Well done!

---

Parents, be sure to look on the school website for loads of maths resources to help your child at home.

Go to the parent section at the top. Click on curriculum on the left hand side. Beneath this, you will see the maths tab. This will then show you key learning objectives, helpful maths websites and apps, as well as lots of worksheets you can download and print for your child such as times table tests, telling the time sheets and mathematical vocabulary.

Many thanks
Mr Lewis
