Dear Parents

Please can you talk to your children about how to cross the road safely. See the poster below. When I am at the front of the school in the mornings, I see many children who cross the road without looking out for traffic. This is really dangerous and I would hate for any of our children to be involved in an accident.

Can I also remind parents not to park on the yellow zig-zag lines at the front of school please. Three times this week, different parents have parked their cars here and taken their children into school. This area must be kept clear so that children can clearly see traffic when crossing the road.

For our Year 6 parents, please can I remind you all that the final date for submitting your secondary school choices online is rapidly approaching. You only have until 31st October to do this, otherwise your child may not have a school place in Year 7.

Thank you for your continued support.

DID YOU KNOW?

You can now register for updates on your child’s Mathletics progress. Simply visit: www.mathletics.com/parent

Complete the form and you will receive weekly progress updates!

Encourage them to achieve a weekly target of 1000 points!

If you have any queries, please see Mr. Lewis.

Each Friday we shall now refer to as Fluency Friday. Every child will wear a sticker with one calculation (for example 3 x 5), which they need to learn, written on it. Throughout the day we ask that every adult they meet will ask them the answer to this calculation - and praise them when they give it.

There are lots of games, activities and advice on helping children to learn times tables in the ‘parent’ section of this website.

Please support your child each Friday with this.
