Dear Parents

Well done to Year 6 who have completed their SATs (Standard Assessment Tests) this week. These tests were not easy. I know how hard you all have worked both over the year preparing for these and when completing the tests this week. I hope that you all do as well as you deserve to.

Our final Year 5 classes had their Mayans and Mexico workshops this week. This was led by an explorer who has travelled all over the world and is an expert on Mexico and the Mayan civilisation.

Now the weather is getting warmer, please apply a high factor sun cream in the morning to protect your children from the sun. If they are particularly sensitive to the sun, they may bring sun cream to school to re-apply themselves (please label your child’s name and class clearly on the bottle). A sun hat may also be worn outside, please ensure their name and class are also clearly marked on the inside of these to prevent them losing it.

For those of you who drive to school in the morning with your children, please be really careful. Please drive slowly and take care of children and families who may try to cross the road between stationary traffic or parked cars. I recognise that parking is also an issue outside of school. Please park in a safe place. Thank you.

Mr Williams

Reminder to parents that fizzy drinks, crisps and sweets are not part of a healthy packed lunch for school and should be left at home. Thank you.

**Open Doors Project - pupils with special educational needs and disabilities**

The Open Doors Project is a non-profit organisation providing outdoor experiences for children and young people with a range of additional needs, including physical and learning disabilities, social and emotional needs, and behavioural needs.

The Open Doors project runs a range of fun activities for children in Birmingham during weekends and school holidays for children aged 4-11.

They use Birmingham's beautiful parks and natural areas to explore, play and learn together. This year they have visited donkeys, been on minibeast hunts, watched birds and explored forests!

If you are interested, find out more on their website: [www.theopendoorsproject.com](http://www.theopendoorsproject.com)

Congratulations to 1B & 2B for having 100% attendance last week!

Congratulations to Daisy for having the fewest lates last week!

Congratulations to Daisy for having the fewest lates this academic year.

Congratulations to 5K on your amazingly high score last week! Incredible! If you make it on to the Hall of Fame – get a picture or a screen shot and show your teacher!
