Dear Parents

Ramadan Mubarak to everybody who is observing the festival of Ramadan.

This week has been a busy week for trips and visitors into school. Some of Year 3 have been on a trip to Birmingham City Centre. This is part of their Birmingham topic. During this visit, they visited the Bull Ring, Symphony Hall, St Martins Church, the Council House and many other Birmingham landmarks. The children really enjoyed this trip and they returned to school with lots of knowledge for their new topic. They also returned even fitter, after walking all around Birmingham City Centre.

Some of Year 4 this week meanwhile went on their topic trip to Kenilworth Castle. Kenilworth Castle is a ruined castle with a rich history stretching back over 900 years. During that time, it has been visited by many of Britain’s most famous kings and queens including Queen Elizabeth I. Here Year 4 explored the castle defences, the different parts of the castle and the rooms within it. They also found out about the castle’s history. This was an excellent start to their topic about castles. The children were excellent ambassadors for Parkfield on this trip. Later this term, these children will also be visiting Warwick Castle.

Year 5 children had a visitor into school for their topic ‘Treasure Hunting in Mexico’. Here the children found out some facts about Mexico, carried out a range of activities and found out about life as a Mayan.

We also had 15 of our Year 6 children take part this week in a netball competition against other schools. They did really well, with two of our three teams finishing 3rd and 4th overall. Well done and thank you to everybody who went and represented Parkfield so brilliantly.

Next week, Year 6s will be taking their SATs. Please do what you can to reassure your children about these tests, as some children can get very nervous during this period. Please also do your best to ensure that your children get a good night’s sleep before these tests, so that they are as alert as possible during these. Best of luck Year 6, I’m sure that you will all do your best!

Mr Williams

Congratulations to 60 for having the best attendance last week.

Congratulations to Daisy for having the fewest lates this academic year.

Congratulations to all the classes with no lates at all last week!

Congratulations to 3H, you scored amazingly last week! Incredible! Miss Harris should be very proud! If you make it on to the Hall of Fame - get a picture or a screen shot and show your teacher!

Bring your answers to Mr Lewis!
