Attendance Policy

At Peartree Spring Primary, we want the whole school community to be committed to high standards of attendance and punctuality. We aim to encourage and assist all pupils to achieve excellent levels of attendance and punctuality, enabling them to take full advantage of the educational opportunities available to them.

Section 7 of the Education Act 1996 states:

Duty of parents to secure education of children of compulsory school age:

The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable –

(a) to his age, ability and aptitude, and

(b) to any special educational needs he may have, either by regular attendance at school or otherwise

Peartree Spring Primary is committed to reducing overall absence, particularly unauthorised absence and persistent absence, in line with the expectations of the Department for Education.

Peartree Spring Primary continues to maintain and improve the attendance of our pupils as follows:

- Through providing a safe learning environment by:
 - having a school building which is maintained and checked continuously
 - stringently applying all safeguarding procedures
 - applying the behaviour management policy
- Through ensuring that records of attendance are maintained according to Government legislation and guidance on a daily basis. Registers are taken at the beginning of each teaching session by the class staff using Attendance in SIMS, in accordance with DfE guidance. See Absence and Attendance Codes, Appendix A.
- Through all members of the school community encouraging good attendance and the investigation of all unexplained and unjustified absence. All unexplained absences are followed up by a text using Parentmail, requesting that the parent/carer contact the school to explain the absence.
- Through staff setting a good example in matters of attendance and punctuality.
- Through our Attendance Administrative assistant following up all instances of poor attendance and punctuality. Attendance under 90% is followed up with a half termly letter offering a meeting with parents to discuss support for improved attendance.
- Through the school keeping parents informed of their child's attendance/punctuality record through sharing their attendance at parent/teacher consultations and sending a copy home with the annual report in July. Also through arranging additional meetings to share this information with parents whose children's attendance/punctuality cause concern.
- Through the Attendance Administrative Assistant, the Deputy Headteachers and Headteacher consistently work closely with parents should attendance or punctuality give cause for concern.

The expectation for parents include:

- A legal responsible for ensuring their child's regular and punctual attendance.
- Parents are expected to ensure that their child attends school regularly, punctually, properly dressed in correct school uniform and equipped and in a fit condition to learn.
- Parents will inform school on the first day of absence, of the reason for their child's absence from school by phoning, by email or in writing.
- Parents will avoid arranging family holidays during term time.
- Parents will maintain regular communication with school staff where necessary, through meetings or phone calls.
- Parents will ensure that school is informed of any changes of contact details by checking and updating their child's data sheet annually and then informing the school office staff of any subsequent changes.

The expectations for pupils include:

- All pupils are expected to attend school and all of their lessons regularly and punctually, and to be properly dressed in correct school uniform.
- Pupils are expected to be ready to learn.

Lateness

If a child is late for school, they must enter school via the front entrance. Parents whose children are regularly late for school, will be monitored by the attendance administrative assistant and the Deputy Headteachers who will write to and work with the parent(s) to bring about an improvement in punctuality. If persistent lateness, the Attendance Improvement officer may work with the parents to improve punctuality.

Absences

Parents must provide an explanation for all absences from school whether by phone call, in writing or by email.

The attendance administrative assistant and/or the Headteacher or Deputy Headteachers will decide whether to accept the reason given and to authorise the absence. It is the school and not the parent who authorises absence.

Absence from school may be authorised if it is for the following reasons:

- Sickness
- Unavoidable medical/ dental appointments (though these should be made, whenever possible, outside school hours)
- Days of religious observance
- Exceptional family circumstances such as bereavement

Absence from school will only be authorised in exceptional/extenuating circumstances for holidays in term time

Absence will also be unauthorised if:

- no explanation is forthcoming
- the school is dissatisfied with the explanation

The Headteacher makes the decision about whether an absence should be authorised or unauthorised. The attendance administrative assistant informs parents.

Following up Absences

Peartree Spring Primary follows up all absences from school. If no reason has been provided for a pupil's absence by 9:30am on the first day of absence, a parent of the pupil will be contacted by text using Parentmail (Schoolcomms from September 2016), by the Attendance administrative assistant. If this text is not responded to, the Attendance administrative assistant will phone the parent, or other contact provided on the contact sheet. If there still has been no contact, a letter is sent home asking for the reason for absence once the child returns to school. Parents whose children have an attendance at school of less than 90% will receive a letter half termly from the school to bring about an improvement in attendance. An appointment will be offered with Deputy Headteachers in an attempt to resolve any issues. If the pupil's attendance does not improve sufficiently, the pupil will be referred to the Attendance Improvement Officer.

Leaving and returning to School during the School Day

Parents must collect their child if they need to leave site during the school day. The parent must sign their child out of school and must sign them back into school on their return, via the Inventory system in the main reception. If parents are requesting time off for medical appointments during the school day, then a medical appointment form must be completed beforehand (Appendix C).

Term Time Holidays

Peartree Spring Primary school will not authorise family holidays during term time except in exceptional/extenuating circumstances. Parents requesting a family holiday or leave of absence during term time must apply in writing to the Headteacher. The Headteacher will send a reply letter stating whether the absence will be authorised or unauthorised. On some occasions, she may wish to meet with the parents to discuss the request further. During SATS, exam periods and the first two weeks of the school year, term time holidays will not be authorised for any reason.

The Use of Legal Action

Subsection (1) of section 23 of the Anti-Social Behaviour Act 2003 added two new sections (444A and 444B) to section 444 of the Education Act 1996. These new sections introduced penalty notices as an alternative to prosecution and enable parents to discharge potential liability for conviction for that offence by paying a penalty. The offence of irregular attendance has not changed.

The Education (Penalty Notices) (England) Regulations 2007 sets out the framework for the operation of the penalty notice scheme.

Penalty Notices

A penalty notice is a suitable intervention in circumstances of parentally condoned truancy where the parent is judged capable of securing their child's regular attendance but is not willing to take responsibility for doing so. For example it could be used where a parent has failed to engage in any supportive measures. It will be particularly useful as a sanction at an early stage before attendance problems become entrenched and where the Local Authority considers that a prosecution would be too heavy handed. The key consideration in deciding whether to issue a penalty notice will be whether it can be effective in helping to get the pupil who is truanting back into school, or alternative provision (as appropriate).

At Peartree Spring Primary School we expect parents to work with us to address attendance problems. If a pupil has at least 15 sessions (a half day equals 1 session) unauthorised absence over two terms (including unauthorised holidays), the school will ask the Local Authority to issue a Penalty Notice. The penalty is £60 per child if paid within 28 days of receipt of the notice, rising to £120 if paid after 28 days. If the penalty is not paid, the Local Authority may prosecute the parents for their child's irregular attendance.

The usual response to a first offence should be a warning rather than a penalty, (see appendix H for warning letter). However, a penalty notice can be issued without a warning in exceptional circumstances. The school may make the decision to issue the warning letter (Appendix H) as necessary. These should be agreed with the Central Attendance and Employment support Team Manager on behalf of the County Lead for Behaviour and Attendance.

Responsibilities of the Local Authority for issuing Penalty Notices

Primary responsibility for issuing penalty notice rests with the Local Authority and this responsibility may not be delegated to schools or the police. The Local Authority may not prevent academies, schools or the police from issuing notices if they are willing to do so but any notices issued by them must comply with the Local Authority Code of Conduct. The Local Authority issues penalty notices on behalf of Hertfordshire schools in order to ensure consistency and in the event that a prosecution may need to be brought against the parent (Appendix J).

Local authorities are responsible for the administration of the scheme and may make such operational arrangements as they see fit. Local authorities must issue a local code of conduct to ensure the scheme operates consistently. It is for Local Authorities to set out in their local code of conduct the levels of unauthorised absence above which a penalty notice may be issued.

Rewards

Peartree Spring Primary School rewards good attendance. Attendance is celebrated at the end of every week in assembly and the class with the best attendance for the previous week is celebrated in the school newsletter as well as on the school attendance Awards display. Attendance is displayed on a notice board in both halls. Pupils receive certificates for every term that they have 100% attendance. The class with the best attendance each term participate in a 'treat' activity organised by the Headteacher.

Integrated Working

Peartree Spring Primary School works with other agencies and professionals to ensure that our pupils receive all the support available to achieve good attendance. The school will demonstrate full commitment to integrated working by:

- using the Common Assessment Framework
- sharing information appropriately
- working with other agencies

Working with the Attendance Improvement Officer (AIO)

Peartree Spring Primary School works in partnership with the allocated AIO to improve attendance for individual pupils and the whole school. Information to enable the AIO to carry out an effective consultation visit and/or home visit will be provided by the Attendance Administrative assistant and the Deputy Headteachers. The school meets the AIO on an agreed schedule termly. The AIO works with individual pupils and their parents to improve poor attendance. When attendance does not improve sufficiently, and after discussion with the AIO, the school will make a referral to Children, Schools and Families for the AIO to work with the family on a formal basis.

Publication of Information

Peartree Spring Primary School shares information on individual pupils' attendance as necessary with parents, pupils and staff through discussion and meetings. The school may also provide current attendance statistics on the school website and in newsletters. Attendance is a standing item on the agenda of school Governors' meetings through the Headteacher's report. Pupils are informed about the importance of school attendance through assemblies, lessons and displays in school. The Attendance Administrative assistant and Headteacher are responsible for ensuring that data collected by the Department for Education is accurate.

Policy Review

This policy will be reviewed in full by the Governing Body on an annual basis.

APPENDIX H
WARNING LETTER

Dear

The Education (Penalty Notices) (England) Regulations 2007,

Name of pupil ----- Registered at ----- (school name)

This is a formal warning that you are at risk of being in breach of the regulations stated above. ----- (child's name) has been absent from school and the absence(s) has/have not been authorised.

Should the number of unauthorised absence sessions reach 15 or more in the current and/or previous term you will be in breach of the regulations and the Local Authority may issue you with a penalty notice.

The notice requires you to pay a penalty of £60 within 21 days, rising to £120 if paid after 21 days but within 28 days. Each parent is liable to pay a separate penalty and penalty notices are issued for each child to whom the absence relates.

Payment of the penalty enables you to discharge your liability for the offence for the period in question of failing to ensure your child's regular attendance at school. (section 444, The Education Act 1996).

Failure to pay the penalty means you are liable to prosecution for the offence, by summons to appear before the local Magistrates Court. On conviction you may be liable for a fine of up to £1,000 per parent. This is a criminal offence which carries a criminal record. The Local Authority will ask for costs of £125 to be awarded against you.

If you fail to ensure your child attends regularly and 15 sessions of unauthorised absence is reached a penalty notice will be issued. **You will not receive a further warning before the penalty is imposed.**

If you believe there are legitimate reasons for your child's absence please contact me within 5 working days to discuss the matter.

Yours sincerely
