# Eat for free registration form

All children in Reception, Year 1 and Year 2 are entitled to a free school meal under the government's Universal Infant Free School Meals scheme.

To register for your meal, we would ask all parents joining our school to complete the enclosed application form and return it to the school office.

## Frequently asked questions

### **Why should I register for a free meal?**

Registering for this service entitles child(ren) in infant year groups to have a healthy free school meal. Children will get the energy and nutrition they need across the whole school day and will learn to develop healthy eating habits. In addition, you will save money, perhaps in the region of £400 a year!

### **Does my child have to have a school meal every day?**

No, you can choose when your child has a school lunch.

### **My child has specific dietary requirements - can you still provide a meal for them?**

Please contact the school office for more information.

### **What will be on the menu?**

We will provide a varied menu of healthy, nutritious food and drink. Meat and vegetarian options will be available. Example menus can be provided on request but expect to see high quality meat, poultry, oily fish, fruit, vegetables, milk, dairy and healthy dessert options.

### **What happens with my registration form once I return it?**

Once you give this form to the school office, we will register your child(ren) for their free meal. It will also be used to see if the school can claim additional funding called Pupil Premium.
