9th October 2018

Dear Parents/Carers

Please be advised that our latest Ofsted report is now available on our school's website. If you would like a hard copy of the report, please request one from the school's office.

Thank you for your support during the Inspection and we are very proud of our children, our staff and our Governors.

'The school continues to be good.' The leadership team has maintained the good quality of education in the school since the last inspection.

- Children enjoy the curriculum on offer, including our range of extra-curricular activities, and like coming to school
- Most current pupils are achieving well
- Leadership is strong, including highly effective governance
- Professional learning for staff is high quality
- Safeguarding is effective
- Standards in reading are rising in KS1 and KS2 and pupils' rates of progress are improving
- Standards are high in Maths and progress is exceptional
- Children are courteous to each other and are keen to learn
- Pupils with SEN are achieving well
- The curriculum is rich and wide ranging

Next steps for the school:

- Greater attention to Reading and writing in Early Years
- Writing standards at KS1 must continue to rise
- Challenge across foundation subjects, such as art

These areas for development are already identified in the school's current strategic plan and we are able to evidence good progress from starting points in reading and writing in Early Years and in writing at Key Stage 1. Challenge across foundation subjects is a priority for Ofsted across the Country.

By the end of KS2 our children do really well. Please look at our 2018 results on our school's website.

As always, we continue to strive to be the best that we can be. This report endorses the strengths of our school and this is very pleasing.

Kind regards,

Jane Girle
Headteacher

Headteacher: Mrs J. Girle
Deputy Head: Mrs J. Shears
Deputy Head: Mrs E. Mann
