YOUR SCHOOL PTA NEEDS

YOU!

Calling ALL parents - it's time to get involved...

We asked the parents of our Year 7 students if they would like to get more involved in school life and if they would like to be a part of the PTA?

Out of 87 responses, we received a very large and pleasing reply - Yes! Thank you to those of you who took the time to reply.

We asked; what school life issues would you like to know more about? The most popular response was homework.

During future parents' evenings, we will be asking all parents to be a part of our survey and we will be available to discuss matters with you further still. Please do come to speak with us and let us know your views too.

In the meantime, all parents are welcome to attend our next meeting and we look forward to meeting you on the 5th December. As you can see from above, we will be focusing on homework.
