KEYBOARD ENSEMBLE

Thursdays 7.20-8.05pm
Richmond Music Trust
7 Briar Road
Twickenham
TW2 6RB

Suitable for piano and keyboard players from grade 1 upwards, the Keyboard Ensemble is a great opportunity to meet, rehearse and perform with other musicians of various abilities. Taking part in the Keyboard Ensemble is a great way to develop the skills covered in the weekly instrumental lesson. Playing in a group scenario helps to build confidence and adds an extra dimension to learning what is traditionally a solitary instrument.

The Keyboard Ensemble focuses on developing basic musicianship skills and improving sight-reading alongside the more technical aspects of using electronic keyboards. There is also great emphasis on developing improvisational, compositional and aural skills which all help pupils to tap into their musical creativity. Pieces are tailored to suit individual ensemble members.

With the opportunity to perform at The Big Racket (our annual summer event involving hundreds of children from schools throughout the borough), the Keyboard Ensemble is a fantastic opportunity to explore the learning processes surrounding music, from composing and rehearsing through to the final thrill of performing in front of a large audience.

£40 per pupil per term- free trial sessions available. Call 020 8538 3866 to register for a trial session.
